Pursuant to Section 102.67(h) of the Rules and Regulations of the National Labor Relations Board (“Board”), the Employer, Classic Industrial Services, Inc. (“Classic” or “Employer”), respectfully seeks to withdraw its Request for Review.

Classic filed its Request for Review on October 31, 2017. The Board granted Classic’s Request for Review on January 24, 2018. Classic and the International Association of Heat & Frost Insulators and Asbestos Workers, Local Union 76 (“Union”) submitted Briefs on Review on February 14, 2018. The Board has not issued a decision regarding the merits of the parties’ arguments.

The parties have amicably resolved their dispute. Classic’s work at the site in question (APS Four Corners) is temporary and will end in the next few months. The parties recently entered into a Project Labor Agreement for the duration of Classic’s work at the APS Four Corners site.

For these reasons, Classic respectfully seeks the Board’s permission to withdraw its pending Request for Review.

DATED this 27th day of February, 2018.

Respectfully Submitted,

JACKSON LEWIS P.C.
